The Origin of BLACK RIVER

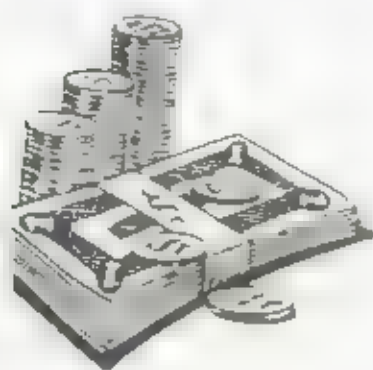

When the Sullivan, Spencer, Albion, Homerville, and Huntington schools consolidated in 1959, there was a need for a name. The Board of Education suggested that a contest be held by the whole student body to decide on a name for the new school. The names were submitted to the Board and after the members pondered over these names, one name was chosen as the best. Which, of course, is Black River. This name was submitted by Emma Messmore and Seth Zimmerman.

Black River was chosen because of the Black River which flows through all the townships in the school district except for Jackson. This geographical landmark represents the unity that exists in our school.

Black River Harriers

Medina County Gazette

BY NEYSA STROUP Medina, O., Mon., Oct. 27, '69

The mascot of the cross-country team is a duck. No one in the district has figured out exactly the relationship of a duck to a cross country team, but the Pirate harriers have taken theirs, in its crate, to the majority of its meets, and they have won.

Presentation of the trophies for the district meet was made in the LCCC gym Saturday. As the eight teams waited for the official times and team standings, the elation was highly evident among the Black River harriers; they were on their way to Columbus; but there were also the question of who would get the first place trophy because of the tie with Hillsdale. Haring told the team to decide whether it wanted to take heads or tails, if the decision was to rest on the flip of a coin. Hillsdale's team said it wanted to run the tie off, with a

four-mile race; the two teams joked they would let coaches make it a race to decide, and Haring quickly appointed River's football coach Ron Weaver, another former collegiate cross country man as his assistant, he could sub for Haring in such an event; and the banter went on and on. Somehow, the feeling was prevalent that if the decision rested on the flip of a coin, River would lose. Haring and the Hillsdale coach were called from the gym. Minutes moved slowly, the suspense mounted. Then Haring came back, "Who gets the coach?" the team questioned. He replied, "Just wait a sec." Both teams were called to the floor. The Dean of the college talked, and talked some more, before making the presentation. Then it came out. "The trophy goes to Black River." Bedlam reigned in the LCCC gym, among River's team and the fans.

Capture District Meet

Medina, O., Fri., Oct. 24, '69 — Medina County Gazette

Pirates Sailing For District

BY D'ARCY EGAN

The Black River High cross country squad may not have rings on its fingers, but the Pirates sure have bells on their toes, at least on their track shoes.

According to Coach Rollie Haring, one of the reasons for the Pirate success this season, as they boast a 7-2-1 record going into this week's district meet, is the bells they have on their shoes.

"Those bells are just what the kids needed," said Haring. "They're sure that it rattles the other team a little bit, and gives them an advantage. When we took on Brunswick, one of their runners complained that the bells were driving him to distraction. They said they couldn't hear our runners behind them, just that darn ringing."

Black River dropped Brunswick once, and tied them in their other contest.

Oddly enough, Black River runners have never been out on top in a match.

"Last year was our first in cross country action," explained Haring, "and we had an 0-7 record."

"This year our record is much better, but we still haven't had a runner come in first. Of course, our top three boys are rarely worse than fifth."

Leading the pack of Pirate runners are Roger Moutoux, Gary Sifread and Butch Gott, and the trio usually finishes closer together than three peas in a pod.

Bringing up the rear are Bob McConeghy, Harold Hamilton, Scot LaMar and Vern Snoddy, and this one is never far behind.

Despite the vast improvement from their initial season last year when they sported a 0-7 mark, to this season's 7-2-1 record, Black River shows even more promise for the 1970 cross country season.

Out of their top seven runners, only Sifread, McConeghy and Hamilton are seniors, leaving Moutoux, Gott, LaMar and Snoddy to return next season to provide the foundation for one of the top small school cross country squads in the area.

"Our program is in the building stages," said Haring, "but we're growing rapidly."

ASHLAND TIMES-GAZETTE

A record of 7-2-1 will carry the Pirates to the state championship for the first time. In fact, it was the first time in Black River athletic history that a Pirate had qualified for a state event.

A happy coach Rollie Haring said, "These boys have done it all. They are the most dedicated group of boys we have ever had at Black River. Their hard work paid off, and I couldn't be happier for them."

Black River Running Story

Black River's cross country team Saturday took home the district first-place trophy and qualified for Class A state competition at Columbus next Saturday.

The Pirate harriers tied with Hillsdale for first place in the District Class A event at Elyria's Lorain County Community College with 61 points. The Pirates were awarded the first place trophy on the basis of the finish of the sixth and seventh place runners.

In only the second year of the sport at the school, the team, coached by Rollie Haring, is the first representative of Black River to appear in a state contest

since the school was consolidated in 1958.

For the Pirates, whose season record was 7-2-1, the finishes were: Roger Moutoux, fourth, (11:01); Butch Gott, sixth, (11:03); Gary Sifread, 11th, (11:18); Bob McConeghy, 17th, (11:24); Scott LaMar, 23rd, (11:40); Vern Snoddy, 28th, (11:51); and Harold Hamilton, 41st, (12:18).

Medina County Gazette

Medina, O., Mon., Nov. 3, '69

COLUMBUS — Black River High's harriers finished 21st with 405 points in the state Class A cross-country team event held Saturday on the Ohio State University golf course.

Running in a heavy downpour, the Pirates were paced by Gary Sifread who finished 33rd in 10:53, while Scott LaMar and Harold Hamilton, coming in only 24 seconds later at 11:17, ranked 88th and 80th, respectively. Bob McConeghy was 98th with 11:24, Butch Gott, 99, 11:24, Roger Moutoux, 102, 11:27 and Vern Snoddy, 108, 11:33.

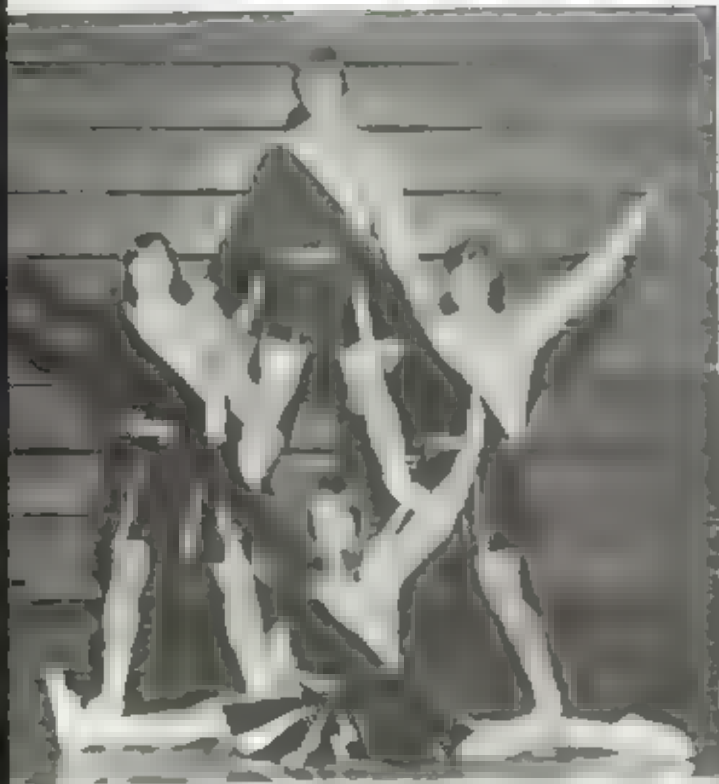

The Pirates' hopes for a better finish were hampered when Roger Moutoux, who usually runs first or second for Black River, injured his ankle and failed to place.
